COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Examiner indicated that claims 1-36 are allowed over the prior art. This recognition of allowable subject matter is acknowledged and appreciated.

However, while the applicants agree that the claims are allowable, the applicants do not concede that the claims are only allowable for the precise reasons stated by the Examiner. For example, as indicated in the remarks included in the Applicants' Amendment A, it is submitted that the claims may be allowable for reasons unrelated to any amendments.

Furthermore, the applicants do not concede that the Examiner's statements are entirely accurate and precise.

For example, paragraph 2 of the Examiner's statement of Reasons for Allowance includes the phrase --the user of the paging party--. This phrase is included in a portion of the Examiners comments that appear to paraphrase some of the language of the claims of the present application. If this is the case, it is respectfully submitted that the referenced phrase was meant to read: --the user

equipment of the paging party--.

Respectfully submitted,

FAY, SHARPE, FAGAN,
MINNICH & McKEE, LLP
